- Health Care Facility - Project Summary -

---

**Project Name: Riverview Manor – Long Term Care Facility, Montague, Prince Edward Island**

In June 2019 Residents, family and staff celebrated the grand opening of the new Riverview Manor in Montague. The facility includes 48 private long-term care rooms grouped into small households with bright, spacious common areas for meals, entertainment, and games. Large windows and open hallways have views of nearby playgrounds, sports fields, and streets.

The new manor is designed to provide the utmost comfort in a spacious, home-like atmosphere for seniors in the Montague and surrounding areas.

The approximate construction cost of the facility was \$15,000,000 with the electrical component being approximately \$1,500,000.
